# OVERVIEW

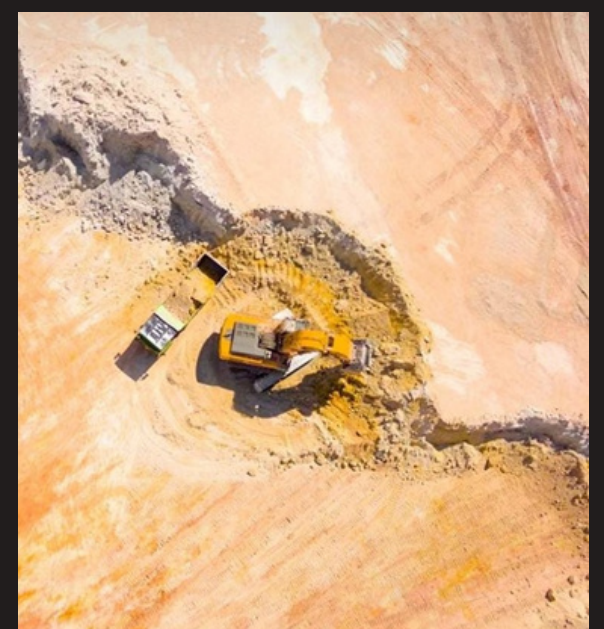

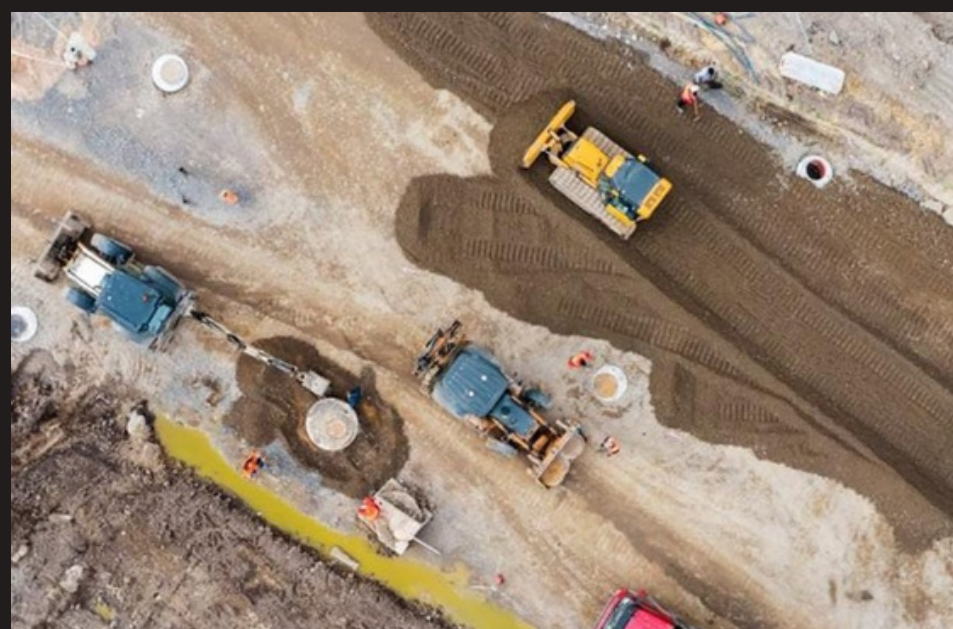

## WHO WE ARE

Partner with AQN Solutions for precision, efficiency, and excellence in drilling and blasting. We deliver safe, efficient, and compliant drilling, blasting, logistics, and rehabilitation services for mining and construction across South Africa.

AQN Solutions has dedicated assets, thus ensuring projects stay on time and budget.

With consistent focus on Client-Centricity, Innovative Logistic Solutions, Customized Operations Strategies and Continuous Monitoring, we've established a national footprint.

AQN Solutions has dedicated assets, thus ensuring projects stay on time and budget.

# MISSION

To provide an innovative, sustainable, and cost-effective end-to-end approach, with an in-depth consultation to assess project requirements, and support the growth of our clients and goals.

# VISION

To be the preferred partner in turnkey mining solutions across Africa, recognized for our technical excellence, integrity, and commitment to sustainable development.

# OUR CORE VALUES

## Integrity

We conduct our business with honesty and transparency.

## Innovation

We embrace new technologies and creative solutions.

## Customer Centric

We build lasting relationships through exceptional service.

## Sustainability

Increasing your business's profitability by lowering operating expenses.

## Quality

We deliver only the highest standard of products and services.

# OUR SERVICES

AQN Solutions offers a comprehensive suite of services designed to meet the unique needs of each client:

✓ **CONSULTATION & DESIGN:**

We deliver expert consultancy to maximize efficiency, mitigate risks, and drive sustainable growth in your mining operations.

✓ **PRECISION DRILLING:**

Our advanced drilling solutions ensure accuracy, safety, and efficiency for diverse industrial applications.

✓ **EXPLOSIVE LOGISTICS:**

Our LDV (Light Delivery Vehicle) explosives transport service ensures secure and compliant handling and delivery of explosives to your site.

✓ **EQUIPMENT SUPPLY:**

We offer heavy machinery and equipment leasing for mining projects, providing reliable and well-maintained tools to keep your operations running smoothly.

✓ **BLASTING:**

We specialize in precision drilling and controlled blasting for dams, road construction, and open-pit mines. Our services include both hand drilling and rig-based blasting, ensuring efficiency and safety in every project.

✓ **EXPLORATION & REHABILITATION:**

We identify and assess potential mineral deposits using advanced techniques. After mining, we restore sites to a safe, stable, and environmentally sustainable condition.
